## IQAC Action Report

Academic year: 2023-24

This report summarizes the actions taken by the IQAC during the academic year 2023-24 to ensure quality enhancement and sustenance in the college.

### I. Quality Objectives:

Objective 1: To enhance student satisfaction and learning outcomes.

Objective 2: To improve faculty performance and development.

Objective 3: To upgrade infrastructure and resources.

Objective 4: To strengthen industry connections and placements.

### II. Actions Taken:

Action 1: Conducted student feedback surveys and implemented changes in curriculum and teaching methods.

Action 2: Organized Seminar and workshops.

Action 3: Upgraded laboratory equipment and library resources.

Action 4: Established school partnerships and increased placement opportunities.

Action 5: Established MoU with Schools(Punjab board & CBSE board)

### III. Outcomes:

Outcome 1: Student satisfaction ratings improved

Outcome 2: Faculty performance improved

Outcome 3: Infrastructure upgrades resulted in improved student engagement and learning outcomes.

Outcome 4: Placement rates increased

#### IV. Challenges Faced:

Challenge 1: Limited resources for infrastructure development.

Challenge 2: Faculty resistance to change in teaching methods.

#### V. Recommendations:

Recommendation 1: Allocate additional funds for infrastructure development.

Recommendation 2: Provide incentives for faculty to adopt innovative teaching methods.

#### VI. Conclusion:

The IQAC has taken significant actions to enhance quality in the college, resulting in improved student satisfaction, faculty performance, and infrastructure. Challenges were addressed, and recommendations have been made for future improvements.

#### VII. Future Plans:

Plan 1: Establish a center of excellence for research and innovation.

Plan 2: Introduce new programs and courses in emerging fields.

Plan 3: Introduce new Skill Development Courses

IQAC Action Plan:  
Academic year (2023-24)

**Upgrade infrastructure and Resources**

1. Implement changes in curriculum and teaching methods based on student feedback surveys.
2. Upgrade laboratory equipment and library resources to support research and learning.
3. Establish School partnerships to increase placement opportunities.
4. Develop a plan to allocate additional funds for infrastructure development.

**Development of Innovations and research**

1. Establish a center of excellence for research and innovation.
2. Introduce new programs and courses in education fields.

**Improve Faculty performance and development**

1. Develop and implement new Skill Development Courses.
2. Provide incentives for faculty to adopt innovative teaching methods.
3. Organize faculty development programs to enhance teaching methods and research skills.

**Enhance Student's satisfaction and learning outcomes**

1. Introduce new teaching methodologies (e.g., blended learning, flipped classrooms).
2. Organize student-centered activities (e.g., workshops, seminars, guest lecturers).
3. Strengthen School connections and increase placement rates.

**Monitoring and Evaluation**

1. Conduct regular meetings to review progress.
2. Establish key performance indicators (KPIs) for each objective.
3. Conduct annual evaluations and assessments.
4. Make adjustments to the plan as needed.

This action plan is designed to enhance quality in education by implementing changes in curriculum, teaching methods, infrastructure, and research opportunities. It aims to improve student satisfaction, faculty performance, and school connections, leading to increased placement rates and research output.
